

HOW TO GET RID OF CHRONIC DANDRUFF

The only sure way to get permanently rid of dandruff is to remove the conditions that cause it and then keep the hair and scalp in a clean, healthy, vigorous state so dandruff will never return. This means shampooing, which merely removes the dandruff for a few days at most. The Red Cross Pharmacy is now strongly recommending Parisian Sage, a harmless, inexpensive, and quick acting preparation, that is guaranteed to act directly on the cause of dandruff and entirely remove it or the purchase price will be cheerfully refunded.

Here is a test no one should fail to try. Get from your druggist a package of Parisian Sage. Rub a little of it into the scalp with the finger tips and see for yourself how the dandruff disappears, the hair stops falling out and all itching immediately ceases. Nothing hurts the scalp more than dandruff, so why not begin using Parisian Sage to-day and be forever rid of it—Ad.

Montpelier Choral Society.

Thirty-five new members were present at the rehearsal Tuesday evening, which was encouraging to the membership committee who are striving to bring the total membership to 300. Mr. Coffin requested each member present to bring one new member, or to hand the name of one whom they knew could join the chorus to the chairman of the membership committee, next Tuesday.

The evening was spent upon a detailed study of Swan and Skylark, which is proving one of the most enjoyable choral numbers yet sung by the chorus, being very singable and replete with charm and melody.

The announcement was made that the music committee had added a fourth number to the list of choral selections, "Gloria," by Buzz-Pecia, the work being an octavo of about 10 minutes' duration and an arrangement of a famous baritone solo for choral work. The number will be distributed next week.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous membrane of the tube. When this tube is inflamed you have a running nose or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface. We will give you Haidt's Catarrh Cure for any case of Deafness (no matter how long standing) cured by Haidt's Catarrh Cure. Send for circular, free.

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

The Rutland hospital has 39 patients.

L. A. Walker of Rutland is very low with blood poisoning, resulting from pricking a small fester on his upper lip.

Mark Joseph Dunlevy, the 10-year-old child of Mr. and Mrs. Joseph M. Dunlevy, of Brattleboro, which weighed 15 pounds and measured 25 inches at birth, died Thursday. The child, while perfectly formed, had never been well.

Almon E. Douglass died Feb. 10 at his home in Stowe of pneumonia, and on Feb. 14 his youngest son, George A. Douglass, died of the same disease, having been taken ill on the day of his father's death. The latter was a talented musician and had been a member of the Stowe Military band for many years.

The South Hero Canning Factory Building Co. Inc. has filed articles of association at the Vermont secretary of state's office, with capital stock of \$60,000, divided into 100 shares. The incorporators are George Tracy, A. W. Kaeler, Harold B. Phelps, H. M. Hibbard, W. Robinson and Henry Maeti.

MURDER CASE

EXECUTION HEARD

State vs. George Warren Was Argued at Special Session of Vermont Superior Court at Brattleboro.

Brattleboro, Feb. 17.—At the special session of Vermont supreme court held here yesterday exceptions were argued in the case of State vs. George Warren of Simonsville, in the town of Andover, the respondent having been convicted of first degree murder in the death of his wife's parents, Mr. and Mrs. Henry F. Wiggins. The grounds for the exceptions were that the state, in attempting to disprove the insanity plea of the respondent, did not confine itself to the two years covered specifically by the defense in presenting evidence to prove insanity.

The prisoner arrived in Brattleboro from Windsor at 9:10 in charge of Sheriff J. H. Kinyry and a deputy and was taken back on the train leaving Brattleboro at 2 o'clock.

Other Cases.

Attorney Robert C. Bacon concluded his argument for the defendant in the chancery case of the Cutler company against Attorney General Herbert G. Barber, a suit over a strip of land which is claimed by both parties. The master's decree found for Mr. Barber, W. R. Daley and A. F. Schwenk argued for the Cutler Co.

Just before the noon recess the case of Wilson Brothers, garage men, against Frank A. Larrow, applicant, was started. The plaintiff in this suit had been awarded a verdict for damages of \$249.01. Attorney A. F. Schwenk for the defendant and Harrie B. Chase for the plaintiff.

Most of Tuesday afternoon was taken up by the arguments in the suit for alleged malpractice brought by Hester A. David of Wilmington against Dr. S. Farrar Dunn of that town, which was started at the morning session. In this suit the defendant was given judgment to recover his costs. The suit arose over the treatment given an injured wrist of the plaintiff which was first treated by the defendant and later by other physicians who claimed there was a fracture of one of the bones. W. R. Daley of Gibson & Daley, represented the plaintiff and Charles S. Chase and A. F. Schwenk, the defendant. The questions argued were principally over the ruling of the lower court on the admissibility of exhibits and evidence.

FORMER ST. ALBANS MAN.

Col. Silas W. Cummings Was a Central Vermont Official.

Boston, Feb. 16.—Col. Silas W. Cummings, former general passenger agent of both the Fitchburg and Central Vermont railroads and an officer in the army, died yesterday after a short illness at his home, 1 Arlington street, at the age of 73.

Mr. Cummings was for many years prominent in the railroad business. At the outbreak of the Civil war he marched from this city at the head of 1,000 men and saw active service.

He was born in Frankfort, Me., but when 20 years old came to Boston with his family. He entered the employ of the Central Vermont railroad and in 1874 was made its general passenger agent.

His headquarters thereafter was at St. Albans, Vt. In 1881 Mr. Cummings came back to Boston as general passenger agent of the Fitchburg and held that position for two years.

He was auditor of the Atlantic & Pacific road for a short time and then returned to St. Albans and his old position as general passenger agent of the Central Vermont, which he relinquished in 1903 and retired.

Upon his retirement he moved to Providence. He had resided on Arlington street only a few months.

Mr. Cummings was a 32nd degree Mason, a member of the Loyal Legion and a G. A. R. member. His wife survives him. Funeral services will be held at his late residence to-morrow at 11:30 a. m. Burial will be in Swan Point cemetery, Providence, R. I.

ADMITTED POULTRY BREAK.

Young Man Admitted He Stole \$20 Worth of Provisions.

Rutland, Feb. 16.—Thomas McNierney of Poultony was arrested yesterday afternoon by Deputy Sheriff Pascal Ricci of this city on a warrant charging him with breaking into the home of Miss Alice Gilmore on the road between Poultony and North Poultony last week and stealing about \$20 worth of provisions. The young man, who is 27 years old, admitted his guilt. He was later arraigned before Municipal Judge J. P. Pratt of Fair Haven, who held him in \$500 for county court. Bail was furnished and the respondent released.

Miss Gilmore telephoned State's Attorney C. V. Poulin on Monday that she had a definite clue and Deputy Ricci went to Poultony to investigate. He went to McNierney's home and while the officer was reading the warrant to the people on the first floor McNierney jumped from a second story window and escaped.

Deputy Ricci returned to Poultony yesterday to continue the search and he notified McNierney's father that the young man had better surrender himself as he would get him anyway.

THE SPOT THAT HURTS

Many of the most intense body pains are of local origin and can be quickly relieved and overcome by a single application of Minard's liniment, which was prescribed and used with marvelous results by Dr. Levi Minard in his private practice, for sore, strained, lame muscles, stiff neck, lumbago, sciatica, rheumatic pains, backache, stiff joints, tired, aching, burning, itching feet, and sprains. It gives instant healing relief; is creamy, antiseptic, free from injurious drugs and stainless to flesh and clothing. Surely try this wonderful liniment and see how quickly it brings soothing relief. It never disappoints. Get a bottle today from any druggist.

ORANGE COUNTY FARMERS' ASS'N NOTES

The following notes are furnished for the week ending Feb. 12:

I wish to call the attention of the farmers of this county to the eighth annual farmers' week at the University of Vermont, Burlington, on Feb. 21-25. These meetings have been held the past few years with an increasing interest and attendance. This year an exceptionally strong program has been made out and I feel that your presence at these meetings would be well worth the time and cost. Twenty-five talks on "How I May Rest" handle 25 different subjects which interest the average farmer and farmer's wife will be given. There is no charge for attending the school. Programs will be sent upon application to either the county agent or Director J. L. Hills, Burlington.

To those living within reaching distance of Randolph Center, the farmers' meetings there under the auspices of the state school of agriculture Thursday and Friday of this week, Feb. 18-19, are called to your attention. Thursday evening M. C. Wilson, who has charge of the farm survey demonstration work, will give a summary of some of the things to be learned from the figures taken last summer from 61 different farms near Randolph Center. Friday there will be talks on fertilizers, feeding, orcharding, marketing, boys' and girls' club work and the County Farmers' association. Isn't it worth our time and trouble to keep in touch with the latest information on these subjects? Programs will be sent on application to the county agent or G. L. Green, Randolph Center, or look in the papers.

The Chelsea exchange has been successful in securing orders for two carloads of chemicals for home mixing this spring. It is not too late for other sections to get together on this proposition. The exchange held a meeting Saturday, Feb. 12, to talk over the seed situation. They expect to send in an order soon for

farm seeds. If interested in buying your seeds at wholesale prices rather than pay for the privilege of having the order taken and seeds delivered at your door or of buying when you want them on credit, get in touch with the county agent for making an order yourself.

The meeting at Orange Wednesday evening, Feb. 9, was well attended, 30 being present. This meeting, arranged for by the town delegate, illustrates the kind of local co-operation which enables the county agent to get in touch with those interested.

Summary for the week:

Farmers visited 19
Letters sent out 30
Circular letters sent out 70
Office calls 2
Telephone calls 2
Meetings addressed 2
Attendance 50
Miles traveled 130

WAITS RIVER

House of William Sweet, with Contents, Destroyed by Fire—No Insurance.

Our community suffered another loss when fire destroyed the house and connecting sheds belonging to William Sweet last Saturday morning. The fire was discovered shortly after 8 o'clock by members of the family, who did all in their power to put out the blaze. Help was called for over the telephone, to which many responded, but the flames had gained such headway that it was beyond control. Little was saved from the household possessions, on which there was no insurance. On these extreme circumstances the townsmen of this place, together with others from the surrounding towns, donated money, clothing, crockery, bedding, etc., for their immediate use. The household goods were moved into the M. E. parsonage during the afternoon Saturday, together with that which was donated. Many willing hands engaged in placing the necessary things for immediate occupancy. The family are very grateful for the many kindnesses conferred upon them in this trying hour.

DRUNKENNESS

A CURABLE DISEASE

The treatment used successfully by thousands right in their own homes is ORRINE. So uniformly successful has ORRINE been in restoring the victims of the "drunk habit" into sober and useful citizens, and so strong our confidence in its curative powers, that we want to emphasize the fact that ORRINE is sold under this positive guarantee. If, after a trial, you get no benefit, your money will be refunded.

ORRINE is prepared in two forms: No. 1, secret treatment; a powder; ORRINE No. 2, in pill form; voluntary treatment. Costs only \$1.00 a box. Ask for booklet.

One of Interest to Our Readers

Good news bears repeating, and when it is confirmed after a long lapse of time, even if we hesitated to believe it at first hearing, we feel secure in accepting its truth now. The following experience of a Barre man is confirmed after three years.

George I. Beckley, Hill and Liberty streets, Barre, says: "I used Doan's Kidney Pills for a lame and aching back and they did me a world of good. My kidneys had also been giving me annoyance, but Doan's Kidney Pills fixed me up." (Statement given May 25, 1911.)

OVER A YEAR LATER, Mr. Beckley said: "Whenever I have any symptoms of kidney complaint, Doan's Kidney Pills never fail to cure me."
